

ETCAL Level 2 Award in Preparation for Military Service
603/4543/3
Structure

Qualification aim

This qualification provides a general introduction to the requirements and commitments required and expected when entering military life. The two mandatory units form a foundation for a learner to consider their options for progressing their interest in developing a deeper understanding of the military services.

Qualification introduction

This qualification is made up of two mandatory units that will help learners to develop a basic understanding of the sector, providing initial skills, knowledge and performance that are required for success at initial selection for military life. Its mandatory units are a step-by-step process to introduce learners to the expectations and values required to underpin consideration for further progression in the military services.

Assessment

In order to achieve this qualification a learner must complete all units as mandatory. The assessment criteria determine the standard required to achieve each unit and allow for a variety of assessment methods to be used as appropriate to the environment the qualification is delivered in. There is no examined assessment element in this qualification.

Progression

On completion of this qualification learners will be prepared to progress to a variety of careers within the armed forces, specialist level 2 or 3 qualifications in a range of occupations within the service would be suitable, this could include but not limited to apprenticeships.

Achievement

Learners are required to complete the two mandatory units to achieve the 9 credits required to achieve the qualification.
