

Level 1 Award in Preparing to Work in Express Logistics
603/6314/9

Qualification aim

This qualification informs and guides learners working or wishing to work in express logistics.

Qualification introduction

This qualification will provide the basic units to underpin an introduction to the industry including the key activities to be undertaken and an understanding of the health and safety requirements.

Assessment

The assessment criteria determine the standard required to achieve each unit and allow for a variety of assessment methods to be used as appropriate to the environment the qualification is delivered in. There is no examined assessment element in this qualification.

Progression

On completion of this qualification learners will be prepared to progress to level 2 qualifications in a range of occupations within the sector, this could include but not limited to apprenticeships.

Achievement

Learners must achieve 12 credits by completing the 3 mandatory units to gain the qualifications.
